ABOUT THIS PRODUCT

Elevate in-room refreshments with the Buxton Coffee Pod & Sachet Holder, designed to bring order and elegance to the guest room. Made from BUSA bamboo one of the world's most sustainable materials it features a refined wood grain finish that complements modern hotel interiors. With two storage compartments and four dedicated pod sections, it keeps coffee pods and sachets neatly organised and easily accessible. Durable and easy to clean, this holder is an ideal choice for hotels seeking to enhance presentation while supporting more sustainable operations.
