BUXTON

Compact Hospitality Tray

CORBY**ABOUT THIS PRODUCT**

A versatile, space-conscious solution for guest rooms, designed to accommodate Corby kettles while keeping sachets neatly organised in built-in compartments. Crafted from BUSA bamboo one of the world's most sustainable materials it features raised sides for added security and a multifunctional design that complements modern hotel interiors. Durable, practical and effortlessly stylish, this tray enhances in-room presentation while supporting eco-conscious hotel operations.
