BUXTON

Standard Hospitality Tray

CORBY**ABOUT THIS PRODUCT**

The Buxton Standard Tray is a versatile addition to any guest room, designed to accommodate Corby kettles, espresso machines, sachet holders and mug trays with ease. Crafted from BUSA bamboo one of the world's most sustainable materials it features raised sides for added security and integrated cork feet to protect surfaces. Durable, multifunctional and effortlessly stylish, this tray enhances in-room presentation while supporting eco-conscious hotel operations.
