

Where Heritage Meets Hospitality

Corby proudly partners with Lollo Caffè, uniting Neapolitan espresso heritage with modern precision.

Expertly sourced beans and meticulous roasting deliver depth, balance, and character. A shared commitment to quality without compromise.

TERRA

40% Arabica / 60% Robusta

A bold expression of Neapolitan espresso.

Carefully balanced Arabica and Robusta beans create a full-bodied cup with depth and structure. Dark roasted in true Southern Italian style, Terra delivers smooth chocolate notes and a lingering, confident finish.

GIOVE

Decaffeinated Espresso

Strength, redefined.

Giove presents a dense, velvety body and expressive aroma, offering richness and poise in equal measure. Decaffeinated with precision to preserve its integrity, it retains the depth and character expected of true Italian espresso.

CORBY

Camden Espresso Machine

The ideal partner to Lollo Caffè capsules, the **Corby Camden Espresso Machine** combines compact design with intuitive controls. Easy to maintain, it ensures a seamless experience for both guests and housekeeping teams.

The Art of Presentation

Our extended tray collection is designed to complement both machine and capsule, creating a cohesive in-room coffee experience. From the sustainable elegance of the **Corby Buxton** bamboo range to the luxurious **Corby Highland** collection, each finish balances refined aesthetics with practical performance.

Explore the Range
