BUXTON

Cube Tissue Box Cover

CORBY**ABOUT THIS PRODUCT**

Add a refined finishing touch to guest bedrooms and bathrooms with the Buxton Cube Tissue Box Cover. Crafted from BUSA bamboo one of the world's most sustainable materials it offers a clean, contemporary aesthetic that complements modern hotel interiors. Designed to sit neatly over standard tissue box refills, the open-bottom construction allows for easy placement and replacement, while a discreet top slot ensures smooth access to tissues. Durable, practical and thoughtfully designed, this cover enhances in-room presentation while supporting more sustainable hospitality spaces.
